**Subject:** DTLA Underpasses

Hi Jackie,

We're submitting a letter to City Council asking them to design and implement a regular cleanup schedule for underpasses in and around Downtown Los Angeles. As part of that ask, we're urging them coordinate with the State Government and Caltrans - here's a copy of our letter just in case that request finds its way to you.

It's pretty straightforward, but let me know if you have any questions. Hope all is well!

Wallis Locke  
Director of Communications & Policy
